

4th Triennial Descendants of Solomon and Elizabeth Hibbert Family Reunion

REUNION ITINERARY - RISING 2013

Dear Family,

Welcome to the 4th Triennial Hibbert Family Reunion where our theme is RISING. We are almost a decade removed from our first reunion celebration in 2005. Back then, who knew that our family would make such great progress? Since then we've come together several times for reunions and family BBQs all in the name of educating the family about our lineage, paying respects to our elders and propelling our youth.

In 2005, we laid the foundation with "Know Your Roots", in 2007 we began building for the future with "Strength in Numbers", in 2010 we were "Getting Stronger" and now we can truly say that our family is "Rising". In 2005, there were many kids around the age of 7 or 8 years old. As we approach the 2013 reunion, many of these youths that were simply running around and having fun are now entering or attending college and doing extremely well. We are so proud of what our family has become over the years and even more grateful that we

continue to set the standards high.

This year's reunion logo is of a dandelion that almost looks like a tree...a family tree. As the dandelion gets blown by the wind, its seeds (our children) rise and spread themselves around this world. The trajectory is up!

Outlined in this itinerary is the blueprint of the reunion events. We hope that everyone has the opportunity to enjoy the company of family, while reflecting on what family means. We certainly appreciate everyone's participation and most importantly, the care that we put into raising our youth. Enjoy your week and God Bless.
